

THE GOVERNMENT OF KADUNA STATE

KADUNA INVESTMENT PROMOTION AGENCY (KADIPA)

The Kaduna Investment Promotion Agency is calling for Expression of Interest for the Procurement of Industrial Factory Space in the Green Economic Zone (GEZ) by KK Kingdom Nigeria Limited

The Green Economic Zone (GEZ) is a proposed industrial layout measuring about 717 hectares located in Katabu, Maraban Jos, Igabi Local Government Area, Kaduna. The GEZ is an industrial park designed to provide a “plug and play” facility for light manufacturing, agro-allied industries, commercial and logistics as well as solar parks for local and foreign investments.

The Kaduna State Government through KADIPA engaged the developer K.K Kingdom Nigeria Ltd for the provision of infrastructure in the GEZ under the PublicPrivate Partnership (PPP). The zone will host a 250MW Solar Power plant a textile plant, Agro-allied processing plants and a host of other engineering, manufacturing, garment, fashion, trading, services, electronics and food processing clusters.

With access to a range of competitive infrastructure like 24-hours power, security, water reticulation facility, fiber optics, waste recycling plant, warehouses, residentcustoms clearing facility, and all the benefits of a Free Trade Zone, the GEZ offers real value for money for both tenants and investors.

This invitation is issued only to elicit an Expression of Interest (EOI) from interested parties and does not constitute any binding commitment. Interested persons and companies are expected to submit their EOIs before Wednesday 15th of June, 2022.

HOW TO SUBMIT EOI:

Interested companies are expected to send in an EOI to the following email address: president@kkkingdom.com & contact.kadipa@kdsg.gov.ng

Signed
The Executive Secretary,
Kaduna Investment Promotion Agency
